Partner William Charron Invited to Breakfast at Gracie Mansion in Recognition of Pro Bono Work For N.Y. City

N.Y. City Corporation Counsel Michael Cardozo and Mayor Michael Bloomberg hosted a breakfast at Gracie Mansion on October 26, 2007 to thank those area law firms that have participated in the City Law Department's recently instituted *pro bono* program. Following 9/11, the Law Department commenced a program that asks area firms to assist in representing the City in prosecuting and defending numerous civil claims.

Pryor Cashman Litigation Partner William Charron was proud to be invited to attend the Gracie Mansion breakfast in recognition of his previous representation of the City in defending against a prisoner civil rights lawsuit. Pryor Cashman looks forward to continuing working with the City in the future.
