## **Pryor Cashman Represents Natestch Pharmaceuticals in Drug Development Deal with Amylin Pharmaceuticals**

Pryor Cashman partners Stephen Goodman and Larry Rimmel represented Natestch Pharmaceutical Company (Nasdaq: NSTK) in connection with its entering into an agreement on June 26, 2006 with Amylin Pharmaceuticals to develop a nasal spray formulation of exenatide.

Under the agreement, Natestch will receive milestone payments and royalties on product sales. If the program moves forward, milestone payments could reach up to \$89 million, based on specific development, regulatory and commercialization goals. If a supply agreement is reached between the companies, Natestch may supply commercial product to Amylin and its exenatide collaboration partner, Eli Lilly & Co.
