Partner Robert Ray Appears On Bloomberg News To Discuss Dreier Complaint

Pryor Cashman Partner Robert Ray appeared on Bloomberg's *Morning Call* with Carol Masser on December 9, 2008 to discuss the criminal complaint filed against attorney Marc Dreier and the parallel SEC enforcement proceedings.

Ray, who is a former Assistant U.S. Attorney and served as Independent Counsel for several years, discussed the bizarre set of circumstances allegedly set in motion by Dreier, the head of a prominent New York City firm, who allegedly duped hedge funds to transfer approximately \$100 million into the firm's attorney trust account, which is now the subject of a temporary restraining order requested by the SEC and pending criminal securities fraud charges against Dreier.
