- Stephen B. Rodner

Partner Stephen Rodner Assists National Alliance for Thrombosis and Thrombophilia

Pryor Cashman partner Stephen Rodner is a member of the Board of Directors of NATT, National Alliance for Thrombosis and Thrombophilia. He is one of three featured patient advocates for blood clot awareness in a video on recognizing and treating blood clots produced by Information Television. The video will be shown on the nationwide in-patient hospital video network and will be broadcast on various PBS stations.

Rodner is active in the organization's fund raising and awareness programs and performs pro bono legal services for NATT as well.
