Partner Stephen Rodner to Speak at NYLS Media, Entertainment and Sports Law Event

Pryor Cashman Entertainment Partner Stephen Rodner will be speaking at the Media, Entertainment and Sports Law Association's keynote event at New York Law School on April 16, 2010.

A collection of distinct panel discussions will feature more than 15 practicing attorneys specializing in various legal fields including Music, Film, Fashion and Advertising. The event will consist of four panel discussions showcasing the diverse expertise of its distinguished panelists.

Rodner will be one of the panelists in the area of motion pictures and will be speaking about "Production Legal Issues: Beginning, Middle, and Distribution."

The other panels that day are:

- Fashion: The Expansion and Development of Trade Dress
- Film: Financing, Advertising, and Product Placement
- Music: The New Music Industry and the Digital Revolution
