Partner Robert deBrauwere Quoted in Law360 Article About Virtual-World Intellectual Property Disputes

Partner Robert deBrauwere, a member of Pryor Cashman's Intellectual Property Group, was interviewed by *Law360* for its June 8, 2010 article "Virtual-World Conflicts Lead To Real-World Suits."

In the article, deBrauwere notes that "claims are growing over ownership and use of intellectual property both inside and outside the game." As the market for online games expands and the debate over who has the right to control the virtual content heats up, website operators, their users and third parties could find themselves locked in real-world legal battles.
