Pryor Cashman Real Estate Group Hosts Over 100 Real Estate Professionals at Networking Event

On June 10, 2010, Pryor Cashman's Real Estate Group hosted over 100 Real Estate Professionals for a networking event at its offices at 7 Times Square.

Pryor Cashman Partners Todd Soloway (Chair of the firm's Real Estate Litigation Group) and Wayne Heicklen (Co-Chair of the Real Estate Group) spoke to those gathered and reported that they had been conducting high-profile workouts and that certain buildings are beginning to move from the distressed pool into workouts - and some are even graduating into stabilization.
