Partner Stephen Goodman Authors Special Report on Health Care Reform Bill

In a special report published by Aspatore Books entitled "*Understanding the Health Care Reform Bill – An Immediate Look at the Potential Impact of the Patient Protection and Affordable Care Act*", Pryor Cashman Partner Stephen Goodman offers a broad overview of the many changes to be effected by the Patient Protection and Affordable Care Act, commonly known as the Health Care Reform bill.

With special emphasis on new regulations that relate to insurance companies and hospitals, Goodman also addresses the evolving nature of health care reform and the fact that many pieces have to fall into place before the reforms are fully implemented.
