## **Pryor Cashman Partner Richard Levy Jr.'s Article On How Landlords Can Minimize Tenant Default Risks Appears in Property & The Law**

Richard Levy, Chairman of Pryor Cashman's Bankruptcy Group, has written an informative article entitled "Owners Can Minimize Tenant Default Risks." The article, which appears in the May 2007 issue of *Property & The Law*, explains how a landlord can minimize the financial risk of a tenant's default and, in the event the tenant goes into bankruptcy, how the landlord can maximize recovery of lost rent.
