Pryor Cashman's Banking and Finance Group represents banking clients when they are involved as members of a loan syndicate, with commitments ranging from amounts as low as \$5 million to as high as \$500 million. Our clients in this area include PNC Bank N.A., Standard Chartered Bank, Wachovia Bank and WestLB AG.

The services we render include:

- Negotiating, drafting and/or reviewing credit agreements and other security documents
- Reviewing information memoranda and credit committee approval documents
- Working with our clients to identify material issues to address with the agent bank or credit committee
- Identifying and resolving critical legal issues as they arise
